“My name is…” Blackline

**Starfall Emotion Cards**

**Starfall Sing-Along, Volumes 1 & 2**

**Starfall’s Selected Nursery Rhymes** (Book & Audio CD)

**Weather Cards**

**Note:** Keep the Grandmother doll hidden. You will introduce her in **Week 5**.

**Preparation**

Create a Weather Board using the Weather Cards and a word card that reads, *Today’s Weather*. You will use this board throughout the year. (See Read Me First page 13, “Daily Routines.”)

Create an Attendance Board using a pocket chart to display names. Create Name Cards by taking photos of the children and one of Gingerbread Boy and affixing them to horizontal cards with the children’s names printed on them. (You may use the Word Card Generator in the Parent-Teacher Center at teach.starfall.com to print the cards.) Laminate the Name Cards. You will use them throughout the year during the Attendance Routine. Set Gingerbread Boy’s card aside. You will first use it on **Day 2**.

Establish a cabinet or shelf that will house activities such as wooden puzzles, games, paper, markers, books, and other materials that will not be used in the Learning Centers. They will be used during Exploration Time.
Take a photo of yourself and each child. You will use these to create a Class Book.

The book *The Gingerbread Boy* will be used throughout Weeks 1 and 2 to help establish Gingerbread Boy as a class member.

**Day One**

Keep plush Gingerbread Boy out of sight until you introduce him to the children in today’s *Morning Meeting*.

Determine outside safety rules to share with the children, and determine the bell or signal you will use to announce Exploration cleanup. This signal will be used throughout the year.

*Story Time* — Choose a book about the first day of school to share. Suggestions include:
- *If You Take a Mouse to School* by Laura Numeroff
- *Froggy Goes to School* by Jonathan London
- *Meet the Barkers* by Tomie dePaola

*Small Group* — Use the Word Card Generator in the Parent-Teacher Center at teach.Starfall.com to create a Name Card with dotted lines for each child.

**Day Two**

Prepare to discuss any questions or issues from Exploration Time time on Day 1.

*Small Group* — Have a mirror available for children to view their happy faces.

**Day Three**

*Gathering* — Familiarize yourself with the “Freeze” game as described on page 15, and choose a song to use as you play.

*Small Group* — Duplicate the “My name is…” Blackline. You will need one for yourself and one for each child.

**Day Four**

*Morning Meeting* — Familiarize yourself with “What’s the Weather?” (page 19)

**Day Five**

*Morning Meeting* — Designate a special chair as the Share Chair for use when sharing writings, drawings, and personal projects.

*Story Time* — Choose a favorite book to share.

**Snack Suggestion**

Purchase or prepare cookies in the shape of Gingerbread Boy. Children add icing and raisins for buttons and eyes.

**Outside Activity**

Discuss safety rules before children have outside free play.

Place the Name Cards in the appropriate columns of the Attendance Board. (One column for children who are present, the other for children who are absent.)

Indicate the Attendance Board. Say: **This is our Attendance Board. It tells us who is at school today. There are two places for names. One is for the names of children who are here, or present; the other is for names of children who are not here, or absent. Let’s see who is present today! When I point to and read your name, please stand up.**

One by one, indicate each name on the Attendance Board and read the names aloud. Children stand when their names are called. After you have determined who is present, read the names of the children who are absent.

---

**Warm Up Your Brain**

Say: **Show me your hands.** (Children raise their hands into the air.) **We use our hands to do many different things.**

Sing “Put Your Hands in the Air” to the melody of “If You’re Happy and You Know It.”

Say: **Let’s learn another song about our hands.**

Ask: **Did you think we were really going to put our hands in our mouths? Isn’t that a silly song?**

---

**Meet Gingerbread Boy**

Say: **I brought a special friend to school today.**

Reveal plush Gingerbread Boy. Say: **This is Gingerbread Boy. Let’s say hi to him!**

Pretend Gingerbread Boy is whispering in your ear. Say: **Gingerbread Boy says he can’t wait to meet you and learn your names! Let’s tell Gingerbread Boy our names.**

Hand Gingerbread Boy to a child. The child states his or her name, then passes Gingerbread Boy to the child next to him or her. Continue until everyone has introduced themselves to Gingerbread Boy.
Learning Centers

Use this time to introduce your Exploration Area. (See Read Me First page 4, Exploration.)

Pretend Gingerbread Boy whispers another secret. Say: Gingerbread Boy says he likes to play. Do you like to play, too?

Say: At school, we have a special place for play. This place is the Exploration Area. Exploration means to investigate or learn about something. Say, exploration. (Children repeat, exploration.) Tour your Exploration Area and the materials available there. The children should understand they are to clean up projects before beginning new ones.

Say: Let’s play in our Exploration Areas! (Display your bell or other chosen signal). When I ring this bell, it means you have five minutes before cleanup time. Demonstrate this.

Say: When I ring the bell again it is time to clean up.

Children participate in Exploration activities, then practice cleaning five minutes before Exploration Time is over.

Play Sing-Along Volume 1 Track 25, “Open Them, Shut Them” as the children gather. After the song, the children share their Exploration experiences.

Circle Time

Introduce the Alphabet

Draw children’s attention to the classroom Alphabet Chart. Say: This is the alphabet. The alphabet is made of many letters. We use letters to write words. Each letter has a name. Slowly indicate each letter as you say the alphabet aloud.

Gingerbread Boy whispers to you that he knows a song about the alphabet called “The Alphabet Song.” Ask: Do any of you know the “Alphabet Song”? Play Sing-Along Volume 1 Track 2, “The Alphabet Song.” Repeat the song as children sing along.

Display the A Letter Card. Say: This is the letter A. Say, A. (Children repeat, A.) Ask: Can you find a letter that looks like A on our Classroom Alphabet Chart? Instruct children to raise their hands if they see the letter A on the classroom Alphabet Chart. Repeat for B and C.

Display a child’s Name Card. Indicate and name the first letter of the name. The child uses a pointer to locate the first letter of his or her name on the Alphabet Chart. Repeat for the other children.
Teacher’s Literature Choice: First Day of School

Select one of your favorite books about the first day of school. (See suggestions provided in the Preparation Notes for Day 1.)

Choose a volunteer to stand facing the other children. Say: (child’s name) has a front and a back. This is the front of (child’s name).

Instruct the volunteer to turn his or her back to the class. Say: This is the back of (child’s name).

Ask: Where is the front of your body? (Volunteers respond.) Now show me your back!

Indicate your literature choice. Ask: Did you know that books have fronts and backs, too? Identify the front and back cover of the book.

Say: Someone writes the words of each book. That person is called an author. Say, author. (Children repeat, author.) The author of this book is (author’s name). Do you see pictures in the book? They are called illustrations. We call the person who made them an illustrator. Say, illustrator. (Children repeat, illustrator.) The illustrator of this story is (illustrator’s name).

Picture-walk through the story and engage children in a discussion about the illustrations. Read and discuss the story.

Materials

**Small Group & Exploration**

**Make Handprints**

Say: **This morning we talked about our hands. What are some things you can do with your hands?** Accept and discuss responses.

Say: **Here’s another song about something you can do with your hands.** Introduce Sing-Along Volume 2 Track 15, “If You’re Happy and You Know It.” Sing the song and demonstrate appropriate actions.

Explain: **Our hands belong to us and only us! Today you will each make a special handprint. Then we will put them all together to remind us we are all part of one class.**

Children participate in Exploration. During this time place finger paint on the hands of several children or guide them to place one hand at a time onto a large washable ink pad. Children then place their hands on the mural paper to create handprints. Assist children to clean the finger paint from their hands and use paper towels to dry them. They use crayons to write their names near their handprints.

Display the handprint mural on your door for the children to see as they enter each morning.

Formal Small Group sessions will begin in **Week 2**.

And everywhere that Mary went,
The lamb was sure to go.

It followed her to school one day,
Which was against the rules.

It made the children laugh and play,
To see a lamb at school.

Indicate the Afraid Emotion Card. Say: This person is afraid. Has anyone ever been afraid?

Gingerbread Boy whispers that he was afraid when he thought the fox was going to eat him. Children share times when they felt afraid.

Say: Make a face to show how you look when you are afraid.

Ask: Are angry and afraid more like feeling happy or feeling sad?

Indicate each card as children make facial expressions to match the emotions. Include the Happy, Excited, and Silly Emotion Cards from Day 3.

Play a variation of “Freeze,” incorporating the Emotion Cards. Say: When you hear music, you dance. When the music stops, freeze! Then I will hold up an Emotion Card. You make a face to match it.

**Small Group & Exploration**

**Complete Photo Pages**

With the photo page group, choose several children at a time and demonstrate how to use glue sticks or glue. Prepare their photo pages.

Children will share their photo pages on **Day 5**.
Gathering

Review the names of the children who are present and those who are absent.

Say: **If there are** (number of children) **here today, how many snacks will we need to prepare?** Pause for responses. Explain: **If there are** (number of children), **we need to prepare** (number of children) **snacks.**

Say: **Remember the weather song we learned yesterday? Let's sing it again!** Play Sing-Along Volume 1 Track 40. Children sing “What’s the Weather?”
